## Product Datasheet

### Anti-MYO1G Antibody Picoband APC Conjugated, Rabbit, Polyclonal BOB-A08448-2-APC

|                          |                                                                                                                                                    |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-MYO1G Antibody Picoband APC Conjugated, Rabbit, Polyclonal                                                                                    |
| Artikelnummer            | BOB-A08448-2-APC                                                                                                                                   |
| Hersteller Artikelnummer | A08448-2-APC                                                                                                                                       |
| Alternativnummer         | BOB-A08448-2-APC-100UG                                                                                                                             |
| Hersteller               | Boster Bio                                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                                             |
| Kategorie                | Antikörper                                                                                                                                         |
| Applikation              | FC                                                                                                                                                 |
| Spezies Reaktivität      | Human                                                                                                                                              |
| Immunogen                | E.coli-derived human MYO1G recombinant protein (Position: H252-Q966). Human MYO1G shares 90.2% amino acid (aa) sequence identity with mouse MYO1G. |
| Klonalität               | Polyclonal                                                                                                                                         |
| Molekulargewicht         | Calculated Molecular Weight: 52588 MW                                                                                                              |
| NCBI                     | <a href="#">64005</a>                                                                                                                              |
| UniProt                  | <a href="#">B0I1T2</a>                                                                                                                             |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                        |
| Reinheit                 | Immunogen affinity purified.                                                                                                                       |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Serine/threonine-protein kinase AtPK1/AtPK6   |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
