### Anti-PGLYRP2 Antibody Picoband HRP Conjugated, Rabbit, Polyclonal BOB-A09568-HRP

|                          |                                                                                                                                                          |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-PGLYRP2 Antibody Picoband HRP Conjugated, Rabbit, Polyclonal                                                                                        |
| Artikelnummer            | BOB-A09568-HRP                                                                                                                                           |
| Hersteller Artikelnummer | A09568-HRP                                                                                                                                               |
| Alternativnummer         | BOB-A09568-HRP-100UG                                                                                                                                     |
| Hersteller               | Boster Bio                                                                                                                                               |
| Wirt                     | Rabbit                                                                                                                                                   |
| Kategorie                | Antikörper                                                                                                                                               |
| Applikation              | ELISA, IHC, WB                                                                                                                                           |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                        |
| Immunogen                | E.coli-derived human PGLYRP2 recombinant protein (Position: D198-Q524). Human PGLYRP2 shares 79.2% amino acid (aa) sequence identity with mouse PGLYRP2. |
| Klonalität               | Polyclonal                                                                                                                                               |
| NCBI                     | <a href="#">114770</a>                                                                                                                                   |
| UniProt                  | <a href="#">Q96PD5</a>                                                                                                                                   |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> .                                                                      |
| Reinheit                 | Immunogen affinity purified.                                                                                                                             |
| Formulierung             | Liquid                                                                                                                                                   |
| Target-Kategorie         | N-acetylmuramoyl-L-alanine amidase                                                                                                                       |

|                        |                                                                                                            |
|------------------------|------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | Western blot, 0.25-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml ELISA, 0.1-0.5µg/ml |
|------------------------|------------------------------------------------------------------------------------------------------------|
