### Anti-PGLYRP2 Antibody Picoband PE Conjugated, Rabbit, Polyclonal BOB-A09568-PE

|                          |                                                                                                                                                          |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-PGLYRP2 Antibody Picoband PE Conjugated, Rabbit, Polyclonal                                                                                         |
| Artikelnummer            | BOB-A09568-PE                                                                                                                                            |
| Hersteller Artikelnummer | A09568-PE                                                                                                                                                |
| Alternativnummer         | BOB-A09568-PE-100UG                                                                                                                                      |
| Hersteller               | Boster Bio                                                                                                                                               |
| Wirt                     | Rabbit                                                                                                                                                   |
| Kategorie                | Antikörper                                                                                                                                               |
| Applikation              | FC                                                                                                                                                       |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                        |
| Immunogen                | E.coli-derived human PGLYRP2 recombinant protein (Position: D198-Q524). Human PGLYRP2 shares 79.2% amino acid (aa) sequence identity with mouse PGLYRP2. |
| Klonalität               | Polyclonal                                                                                                                                               |
| NCBI                     | <a href="#">114770</a>                                                                                                                                   |
| UniProt                  | <a href="#">Q96PD5</a>                                                                                                                                   |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                              |
| Reinheit                 | Immunogen affinity purified.                                                                                                                             |
| Formulierung             | Liquid                                                                                                                                                   |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Target-Kategorie       | N-acetylmuramoyl-L-alanine amidase            |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
