### Anti-POLDIP2 Antibody Picoband Cy3 Conjugated, Rabbit, Polyclonal BOB-A09581-4-CY3

|                          |                                                                                                                                                         |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-POLDIP2 Antibody Picoband Cy3 Conjugated, Rabbit, Polyclonal                                                                                       |
| Artikelnummer            | BOB-A09581-4-CY3                                                                                                                                        |
| Hersteller Artikelnummer | A09581-4-Cy3                                                                                                                                            |
| Alternativnummer         | BOB-A09581-4-CY3-100UG                                                                                                                                  |
| Hersteller               | Boster Bio                                                                                                                                              |
| Wirt                     | Rabbit                                                                                                                                                  |
| Kategorie                | Antikörper                                                                                                                                              |
| Applikation              | FC                                                                                                                                                      |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                       |
| Immunogen                | E.coli-derived human POLDIP2 recombinant protein (Position: Q81-Q324). Human POLDIP2 shares 99.2% amino acid (aa) sequence identity with mouse POLDIP2. |
| Klonalität               | Polyclonal                                                                                                                                              |
| NCBI                     | <a href="#">26073</a>                                                                                                                                   |
| UniProt                  | <a href="#">Q9Y2S7</a>                                                                                                                                  |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                             |
| Reinheit                 | Immunogen affinity purified.                                                                                                                            |
| Formulierung             | Liquid                                                                                                                                                  |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Target-Kategorie       | Polymerase delta-interacting protein 2        |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
