| Artikelname              | Anti-KIAA0090/EMC1 Antibody Picoband PE Conjugated, Rabbit, Polyclonal                                                                                                    |
| Artikelnummer            | BOB-A11471-2-PE                                                                                                                                                           |
| Hersteller Artikelnummer | A11471-2-PE                                                                                                                                                               |
| Alternativnummer         | BOB-A11471-2-PE-100UG                                                                                                                                                     |
| Hersteller               | Boster Bio                                                                                                                                                                |
| Wirt                     | Rabbit                                                                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                                                                |
| Applikation              | FC                                                                                                                                                                        |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                         |
| Immunogen                | E.coli-derived human KIAA0090/EMC1 recombinant protein (Position: Y23-R993). Human KIAA0090/EMC1 shares 93.7% amino acid (aa) sequence identity with mouse KIAA0090/EMC1. |
| Klonalität               | Polyclonal                                                                                                                                                                |
| Molekulargewicht         | Calculated Molecular Weight: 112 kDa                                                                                                                                      |
| NCBI                     | <a href="#">23065</a>                                                                                                                                                     |
| UniProt                  | <a href="#">Q8N766</a>                                                                                                                                                    |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                               |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Reinheit               | Immunogen affinity purified.                  |
| Formulierung           | Liquid                                        |
| Target-Kategorie       | ER membrane protein complex subunit 1         |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
