### Anti-RGL3 Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal BOB-A11774-1-FLUORO550

|                          |                                                                                                                                                |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-RGL3 Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal                                                                           |
| Artikelnummer            | BOB-A11774-1-FLUORO550                                                                                                                         |
| Hersteller Artikelnummer | A11774-1-Fluoro550                                                                                                                             |
| Alternativnummer         | BOB-A11774-1-FLUORO550-100UG                                                                                                                   |
| Hersteller               | Boster Bio                                                                                                                                     |
| Wirt                     | Rabbit                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                     |
| Applikation              | FC                                                                                                                                             |
| Spezies Reaktivität      | Human                                                                                                                                          |
| Immunogen                | E.coli-derived human RGL3 recombinant protein (Position: Q49-D622). Human RGL3 shares 79.1% amino acid (aa) sequence identity with mouse RGL3. |
| Klonalität               | Polyclonal                                                                                                                                     |
| Molekulargewicht         | Calculated Molecular Weight: 52588 MW                                                                                                          |
| NCBI                     | <a href="#">57139</a>                                                                                                                          |
| UniProt                  | <a href="#">Q3MIN7</a>                                                                                                                         |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                    |

|                        |                                                       |
|------------------------|-------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                          |
| Formulierung           | Liquid                                                |
| Target-Kategorie       | Ral guanine nucleotide dissociation stimulator-like 3 |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells         |
