| Artikelname              | Anti-TFIIC110 GTF3C2 Antibody, Rabbit, Polyclonal                                                                                              |
| Artikelnummer            | BOB-A11837                                                                                                                                     |
| Hersteller Artikelnummer | A11837                                                                                                                                         |
| Alternativnummer         | BOB-A11837-100UL                                                                                                                               |
| Hersteller               | Boster Bio                                                                                                                                     |
| Wirt                     | Rabbit                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                     |
| Applikation              | ELISA, IF, IHC, WB                                                                                                                             |
| Spezies Reaktivität      | Human, Mouse                                                                                                                                   |
| Immunogen                | The antiserum was produced against synthesized peptide derived from human TF3C2. AA range:71-120                                               |
| Produktbeschreibung      | Boster Bio Anti-TFIIC110 GTF3C2 Antibody catalog A11837. Tested in WB, IHC, IF, ELISA applications. This antibody reacts with Human, Mouse.... |
| Klonalität               | Polyclonal                                                                                                                                     |
| Konzentration            | 1 mg/ml                                                                                                                                        |
| Molekulargewicht         | 100680 MW                                                                                                                                      |
| UniProt                  | <a href="#">Q8WUA4</a>                                                                                                                         |

|                        |                                                                         |
|------------------------|-------------------------------------------------------------------------|
| Puffer                 | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide. |
| Formulierung           | Liquid                                                                  |
| Application Verdünnung | WB 1:500-1:2000 IHC 1:100-1:300 ELISA 1:20000 IF 1:50-200               |
