## Product Datasheet

### **Anti-ST6GALNAC4 Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal** **BOB-A11941-1-BIOTIN**

|                          |                                                                                                             |
|--------------------------|-------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-ST6GALNAC4 Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal                                     |
| Artikelnummer            | BOB-A11941-1-BIOTIN                                                                                         |
| Hersteller Artikelnummer | A11941-1-Biotin                                                                                             |
| Alternativnummer         | BOB-A11941-1-BIOTIN-100UG                                                                                   |
| Hersteller               | Boster Bio                                                                                                  |
| Wirt                     | Rabbit                                                                                                      |
| Kategorie                | Antikörper                                                                                                  |
| Applikation              | ELISA, IHC, WB                                                                                              |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                           |
| Immunogen                | E.coli-derived human ST6GALNAC4 recombinant protein (Position: D39-T302).                                   |
| Klonalität               | Polyclonal                                                                                                  |
| NCBI                     | <a href="#">27090</a>                                                                                       |
| UniProt                  | <a href="#">Q9H4F1</a>                                                                                      |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |
| Reinheit                 | Immunogen affinity purified.                                                                                |

|                        |                                                                                                            |
|------------------------|------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                     |
| Target-Kategorie       | Alpha-N-acetyl-neuraminyl-2,3-beta-galactosyl-1,3-N-acetyl-galactosaminide alpha-2,6-sialyltransferase     |
| Application Verdünnung | Western blot, 0.25-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml ELISA, 0.1-0.5µg/ml |
