## Product Datasheet

### Anti-PBX4 Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal BOB-A11995-1-FLUORO550

|                          |                                                                                                                                               |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-PBX4 Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal                                                                          |
| Artikelnummer            | BOB-A11995-1-FLUORO550                                                                                                                        |
| Hersteller Artikelnummer | A11995-1-Fluoro550                                                                                                                            |
| Alternativnummer         | BOB-A11995-1-FLUORO550-100UG                                                                                                                  |
| Hersteller               | Boster Bio                                                                                                                                    |
| Wirt                     | Rabbit                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                    |
| Applikation              | FC                                                                                                                                            |
| Spezies Reaktivität      | Human, Mouse                                                                                                                                  |
| Immunogen                | E.coli-derived human PBX4 recombinant protein (Position: A3-Q355). Human PBX4 shares 78.1% amino acid (aa) sequence identity with mouse PBX4. |
| Klonalität               | Polyclonal                                                                                                                                    |
| Molekulargewicht         | Calculated Molecular Weight: 52588 MW                                                                                                         |
| NCBI                     | <a href="#">80714</a>                                                                                                                         |
| UniProt                  | <a href="#">Q9BYU1</a>                                                                                                                        |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                   |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Reinheit               | Immunogen affinity purified.                  |
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Pre-B-cell leukemia transcription factor 4    |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
