### Anti-RHNO1 Antibody Picoband Cy3 Conjugated, Rabbit, Polyclonal BOB-A13755-CY3

|                          |                                                                                                                                                                                          |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-RHNO1 Antibody Picoband Cy3 Conjugated, Rabbit, Polyclonal                                                                                                                          |
| Artikelnummer            | BOB-A13755-CY3                                                                                                                                                                           |
| Hersteller Artikelnummer | A13755-Cy3                                                                                                                                                                               |
| Alternativnummer         | BOB-A13755-CY3-100UG                                                                                                                                                                     |
| Hersteller               | Boster Bio                                                                                                                                                                               |
| Wirt                     | Rabbit                                                                                                                                                                                   |
| Kategorie                | Antikörper                                                                                                                                                                               |
| Applikation              | FC                                                                                                                                                                                       |
| Spezies Reaktivität      | Human                                                                                                                                                                                    |
| Immunogen                | A synthetic peptide corresponding to a sequence at the N-terminus of human RHNO1, which shares 88.2% and 82.4% amino acid (aa) sequence identity with mouse and rat RHNO1, respectively. |
| Klonalität               | Polyclonal                                                                                                                                                                               |
| Molekulargewicht         | Calculated Molecular Weight: 64099 MW                                                                                                                                                    |
| NCBI                     | <a href="#">83695</a>                                                                                                                                                                    |
| UniProt                  | <a href="#">Q9BSD3</a>                                                                                                                                                                   |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                              |
| Reinheit                 | Immunogen affinity purified.                                                                                                                                                             |

|                        |                                                       |
|------------------------|-------------------------------------------------------|
| Formulierung           | Liquid                                                |
| Target-Kategorie       | RAD9, HUS1, RAD1-interacting nuclear orphan protein 1 |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells         |
