### Anti-NYAP2 Antibody Picoband PE Conjugated, Rabbit, Polyclonal BOB-A13773-1-PE

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-NYAP2 Antibody Picoband PE Conjugated, Rabbit, Polyclonal                                                                                    |
| Artikelnummer            | BOB-A13773-1-PE                                                                                                                                   |
| Hersteller Artikelnummer | A13773-1-PE                                                                                                                                       |
| Alternativnummer         | BOB-A13773-1-PE-100UG                                                                                                                             |
| Hersteller               | Boster Bio                                                                                                                                        |
| Wirt                     | Rabbit                                                                                                                                            |
| Kategorie                | Antikörper                                                                                                                                        |
| Applikation              | FC                                                                                                                                                |
| Spezies Reaktivität      | Human                                                                                                                                             |
| Immunogen                | E.coli-derived human NYAP2 recombinant protein (Position: H83-L617). Human NYAP2 shares 90.6% amino acid (aa) sequence identity with mouse NYAP2. |
| Klonalität               | Polyclonal                                                                                                                                        |
| Molekulargewicht         | Calculated Molecular Weight: 71 kDa                                                                                                               |
| NCBI                     | <a href="#">57624</a>                                                                                                                             |
| UniProt                  | <a href="#">Q9P242</a>                                                                                                                            |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                       |
| Reinheit                 | Immunogen affinity purified.                                                                                                                      |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Neuronal tyrosine-phosphorylated phosphoinositide-3-kinase adapter 2 |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells                        |
