### Anti-PCDHGA2 Antibody Picoband PE Conjugated, Rabbit, Polyclonal BOB-A17592-PE

|                          |                                                                                                                                                          |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-PCDHGA2 Antibody Picoband PE Conjugated, Rabbit, Polyclonal                                                                                         |
| Artikelnummer            | BOB-A17592-PE                                                                                                                                            |
| Hersteller Artikelnummer | A17592-PE                                                                                                                                                |
| Alternativnummer         | BOB-A17592-PE-100UG                                                                                                                                      |
| Hersteller               | Boster Bio                                                                                                                                               |
| Wirt                     | Rabbit                                                                                                                                                   |
| Kategorie                | Antikörper                                                                                                                                               |
| Applikation              | FC                                                                                                                                                       |
| Spezies Reaktivität      | Human, Mouse                                                                                                                                             |
| Immunogen                | E.coli-derived human PCDHGA2 recombinant protein (Position: R132-D444). Human PCDHGA2 shares 60.3% amino acid (aa) sequence identity with mouse PCDHGA2. |
| Klonalität               | Polyclonal                                                                                                                                               |
| Molekulargewicht         | Calculated Molecular Weight: 52588 MW                                                                                                                    |
| NCBI                     | <a href="#">56113</a>                                                                                                                                    |
| UniProt                  | <a href="#">Q9Y5H1</a>                                                                                                                                   |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                              |
| Reinheit                 | Immunogen affinity purified.                                                                                                                             |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Protocadherin gamma-A2                        |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
