### Anti-MSLNL Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal BOB-A17693-BIOTIN

|                          |                                                                                                             |
|--------------------------|-------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-MSLNL Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal                                          |
| Artikelnummer            | BOB-A17693-BIOTIN                                                                                           |
| Hersteller Artikelnummer | A17693-Biotin                                                                                               |
| Alternativnummer         | BOB-A17693-BIOTIN-100UG                                                                                     |
| Hersteller               | Boster Bio                                                                                                  |
| Wirt                     | Rabbit                                                                                                      |
| Kategorie                | Antikörper                                                                                                  |
| Applikation              | ELISA, IHC, WB                                                                                              |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                           |
| Immunogen                | E.coli-derived human MSLNL recombinant protein (Position: Q65-H423).                                        |
| Klonalität               | Polyclonal                                                                                                  |
| Molekulargewicht         | Calculated Molecular Weight: 24145 MW                                                                       |
| NCBI                     | <a href="#">401827</a>                                                                                      |
| UniProt                  | <a href="#">Q96KJ4</a>                                                                                      |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |
| Reinheit                 | Immunogen affinity purified.                                                                                |
| Formulierung             | Liquid                                                                                                      |

|                        |                                                                                                            |
|------------------------|------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | Mesothelin-like protein                                                                                    |
| Application Verdünnung | Western blot, 0.25-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml ELISA, 0.1-0.5µg/ml |
