| Spezies Reaktivität      | Zebrafish                                                                                                                                                                                                                                                     |
| Immunogen                | E.coli-derived zebrafish LIN7C recombinant protein (Position: M1-A73)                                                                                                                                                                                         |
| Produktbeschreibung      | Boster Bio Anti-Zebrafish LIN7C Antibody Picoband catalog AZQ66IB0. Tested in WB applications. This antibody reacts with Zebrafish. The brand Picoband indicates this is a premium antibody that guarantees superior quality, high affinity, and strong si... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                                                                                                                     |
| NCBI                     | <a href="#">447934</a>                                                                                                                                                                                                                                        |
| UniProt                  | <a href="#">Q66IB0</a>                                                                                                                                                                                                                                        |

|                        |                                                                                           |
|------------------------|-------------------------------------------------------------------------------------------|
| Puffer                 | Each vial contains 4 mg Trehalose, 0.9 mg NaCl, 0.2 mg Na <sub>2</sub> HPO <sub>4</sub> . |
| Reinheit               | Immunogen affinity purified.                                                              |
| Formulierung           | Lyophilized                                                                               |
| Target-Kategorie       | Protein lin-7 homolog                                                                     |
| Application Verdünnung | Western blot, 0.25-0.5 µg/ml, Zebrafish                                                   |
