### Anti-Zebrafish FHL2a/b Antibody, Rabbit, Polyclonal BOB-AZQ6AZB7

|                          |                                                                                                                                      |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-Zebrafish FHL2a/b Antibody, Rabbit, Polyclonal                                                                                  |
| Artikelnummer            | BOB-AZQ6AZB7                                                                                                                         |
| Hersteller Artikelnummer | AZQ6AZB7                                                                                                                             |
| Alternativnummer         | BOB-AZQ6AZB7-100UG                                                                                                                   |
| Hersteller               | Boster Bio                                                                                                                           |
| Wirt                     | Rabbit                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                           |
| Applikation              | IF, IHC                                                                                                                              |
| Spezies Reaktivität      | Zebrafish                                                                                                                            |
| Immunogen                | E.coli-derived zebrafish FHL2a/b recombinant protein (Position: K235-I279).                                                          |
| Produktbeschreibung      | Boster Bio Anti-Zebrafish-FHL2a-b-Antibody catalog AZQ6AZB7. Tested in IHC, IF applications. This antibody reacts with Zebrafish.... |
| Klonalität               | Polyclonal                                                                                                                           |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                            |
| NCBI                     | <a href="#">445277</a>                                                                                                               |
| UniProt                  | <a href="#">Q6AZB7</a>                                                                                                               |
| Puffer                   | Each vial contains 4 mg Trehalose, 0.9 mg NaCl, 0.2 mg Na2HPO4.                                                                      |

|                        |                                                                                                               |
|------------------------|---------------------------------------------------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                                                                  |
| Formulierung           | Lyophilized                                                                                                   |
| Target-Kategorie       | Four and a half LIM domains 2a                                                                                |
| Application Verdünnung | Immunohistochemistry (Paraffin-embedded Section), 2-5 µg/ml, Zebrafish Immunofluorescence, 5 µg/ml, Zebrafish |
