| Hersteller               | Boster Bio                                                                                                                                                                                                                                                   |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                   |
| Applikation              | ELISA, FA, FC, Kinetics                                                                                                                                                                                                                                      |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                        |
| Produktbeschreibung      | Boster Bio Anti-Amyloid Beta Reference Antibody (U.Zurich patent anti-Amyloid Beta) (Catalog M00081-22). Tested in Flow Cytometry, ELISA, FTA. This antibody reacts with Human. Endotoxin: < 0.145EU/µg,determined by LAL method. Expression system: CHO ... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                   |
| Konzentration            | 1mg/ml                                                                                                                                                                                                                                                       |
| Isotyp                   | IgG1                                                                                                                                                                                                                                                         |
| UniProt                  | <a href="#">P05067</a>                                                                                                                                                                                                                                       |
| Puffer                   | Purified monoclonal antibody supplied in PBS, pH6.0, without preservative.This antibody is purified through a protein A column.                                                                                                                              |
