| Artikelname              | Anti-Huntingtin Monoclonal Antibody, Clone: [Clone: ADGC-8], Rabbit                                                                                                    |
| Artikelnummer            | BOB-M00134                                                                                                                                                             |
| Hersteller Artikelnummer | M00134                                                                                                                                                                 |
| Alternativnummer         | BOB-M00134-100UL                                                                                                                                                       |
| Hersteller               | Boster Bio                                                                                                                                                             |
| Wirt                     | Rabbit                                                                                                                                                                 |
| Kategorie                | Antikörper                                                                                                                                                             |
| Applikation              | FC, ICC, IF, IHC, WB                                                                                                                                                   |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                      |
| Immunogen                | A synthesized peptide derived from human Huntingtin May play a role in microtubule-mediated transport or vesicle function.                                             |
| Produktbeschreibung      | Boster Bio Anti-Huntingtin Monoclonal Antibody catalog M00134. Tested in WB, IHC, ICC/IF, Flow Cytometry applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Monoclonal                                                                                                                                                             |
| Konzentration            | 0.5mg/ml                                                                                                                                                               |
| Klon-Bezeichnung         | [Clone: ADGC-8]                                                                                                                                                        |
| Molekulargewicht         | Observed Molecular Weight: 90 kDa. Calculated Molecular Weight: 82785 MW                                                                                               |

|                        |                                                                                                                     |
|------------------------|---------------------------------------------------------------------------------------------------------------------|
| NCBI                   | <a href="#">3064</a>                                                                                                |
| UniProt                | <a href="#">P42858</a>                                                                                              |
| Puffer                 | Rabbit IgG in phosphate buffered saline, pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol, 0.4-0.5mg/ml BSA. |
| Reinheit               | Affinity-chromatography                                                                                             |
| Formulierung           | Liquid                                                                                                              |
| Target-Kategorie       | Huntingtin                                                                                                          |
| Application Verdünnung | WB 1:500-2000IHC 1:50-200ICC/IF 1:50-200FC 1:100                                                                    |
