| Artikelnummer            | BOB-M00248-5-PE                                                                                                                                                                                            |
| Hersteller Artikelnummer | M00248-5-PE                                                                                                                                                                                                |
| Alternativnummer         | BOB-M00248-5-PE-100UG                                                                                                                                                                                      |
| Hersteller               | Boster Bio                                                                                                                                                                                                 |
| Wirt                     | Mouse                                                                                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                                                                                 |
| Applikation              | FC                                                                                                                                                                                                         |
| Spezies Reaktivität      | Human, Mouse                                                                                                                                                                                               |
| Immunogen                | E.coli-derived human CD147/Emmprin recombinant protein (Position: E138-A323). Human CD147/Emmprin shares 51.1% and 51.9% amino acid (aa) sequence identity with mouse and rat CD147/Emmprin, respectively. |
| Klonalität               | Monoclonal                                                                                                                                                                                                 |
| Klon-Bezeichnung         | [Clone: 7H5E7]                                                                                                                                                                                             |
| NCBI                     | <a href="#">682</a>                                                                                                                                                                                        |
| UniProt                  | <a href="#">P35613</a>                                                                                                                                                                                     |

|                        |                                                                       |
|------------------------|-----------------------------------------------------------------------|
| Puffer                 | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na2HPO4, 0.02% NaN3. |
| Reinheit               | Immunogen affinity purified.                                          |
| Formulierung           | Liquid                                                                |
| Target-Kategorie       | Basigin                                                               |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells                         |
