| Hersteller               | Boster Bio                                                                                                                          |
| Wirt                     | Mouse                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                          |
| Applikation              | IHC, WB                                                                                                                             |
| Spezies Reaktivität      | Human                                                                                                                               |
| Immunogen                | Human recombinant protein fragment corresponding to amino acids 642-1230 of human ACE (NP_000780) produced in E.coli.               |
| Konjugation              | Unconjugated                                                                                                                        |
| Produktbeschreibung      | Boster Bio ACE mouse monoclonal antibody, clone OTI2C8. Catalog M00251-1. Tested in IHC, WB. This antibody reacts with Human....    |
| Klonalität               | Monoclonal                                                                                                                          |
| Konzentration            | 1 mg/ml                                                                                                                             |
| Klon-Bezeichnung         | [Clone: OTI2C8]                                                                                                                     |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Isotyp                 | IgG1                                                                 |
| UniProt                | <a href="#">P12821</a>                                               |
| Puffer                 | PBS (PH 7.3) containing 1% BSA, 50% glycerol and 0.02% sodium azide. |
| Application Verdünnung | WB 1:500~2000IHC 1:500                                               |
