## Product Datasheet

### Anti-GNAQ Rabbit Monoclonal Antibody, Clone: [Clone: 30G74] BOB-M00898-1

|                          |                                                                                                                                                  |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-GNAQ Rabbit Monoclonal Antibody, Clone: [Clone: 30G74]                                                                                      |
| Artikelnummer            | BOB-M00898-1                                                                                                                                     |
| Hersteller Artikelnummer | M00898-1                                                                                                                                         |
| Alternativnummer         | BOB-M00898-1-100UL                                                                                                                               |
| Hersteller               | Boster Bio                                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                       |
| Applikation              | ICC, IHC, WB                                                                                                                                     |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                |
| Immunogen                | A synthesized peptide derived from human GNAQ                                                                                                    |
| Produktbeschreibung      | Boster Bio Anti-GNAQ Rabbit Monoclonal Antibody catalog M00898-1. Tested in IHC, WB application. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Monoclonal                                                                                                                                       |
| Konzentration            | 0.5mg/ml                                                                                                                                         |
| Klon-Bezeichnung         | [Clone: 30G74]                                                                                                                                   |
| Molekulargewicht         | Observed Molecular Weight: 42 kDa. Calculated Molecular Weight: 27084 MW                                                                         |
| NCBI                     | <a href="#">2776</a>                                                                                                                             |

|                        |                                                                                                                     |
|------------------------|---------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">P50148</a>                                                                                              |
| Puffer                 | Rabbit IgG in phosphate buffered saline, pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol, 0.4-0.5mg/ml BSA. |
| Reinheit               | Affinity-chromatography                                                                                             |
| Formulierung           | Liquid                                                                                                              |
| Target-Kategorie       | Guanine nucleotide-binding protein G                                                                                |
| Application Verdünnung | WB 1:500-2000IHC 1:50-200ICC/IF 1:50-200                                                                            |
