## Product Datasheet

### Anti-ETS1 Monoclonal Antibody, Clone: [Clone: ADAO-5], Rabbit BOB-M00931-1

|                          |                                                                                                                                                  |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-ETS1 Monoclonal Antibody, Clone: [Clone: ADAO-5], Rabbit                                                                                    |
| Artikelnummer            | BOB-M00931-1                                                                                                                                     |
| Hersteller Artikelnummer | M00931-1                                                                                                                                         |
| Alternativnummer         | BOB-M00931-1-100UL                                                                                                                               |
| Hersteller               | Boster Bio                                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                       |
| Applikation              | FC, WB                                                                                                                                           |
| Spezies Reaktivität      | Human, Mouse                                                                                                                                     |
| Immunogen                | A synthesized peptide derived from human ETS1 Transcription factor.                                                                              |
| Produktbeschreibung      | Boster Bio Anti-ETS1 Monoclonal Antibody catalog M00931-1. Tested in WB, Flow Cytometry applications. This antibody reacts with Human, Mouse.... |
| Klonalität               | Monoclonal                                                                                                                                       |
| Konzentration            | 0.5mg/ml                                                                                                                                         |
| Klon-Bezeichnung         | [Clone: ADAO-5]                                                                                                                                  |
| Molekulargewicht         | Observed Molecular Weight: 120-150 kDa. Calculated Molecular Weight: 154537 MW                                                                   |

|                        |                                                                                                                     |
|------------------------|---------------------------------------------------------------------------------------------------------------------|
| NCBI                   | <a href="#">2113</a>                                                                                                |
| UniProt                | <a href="#">P14921</a>                                                                                              |
| Puffer                 | Rabbit IgG in phosphate buffered saline, pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol, 0.4-0.5mg/ml BSA. |
| Reinheit               | Affinity-chromatography                                                                                             |
| Formulierung           | Liquid                                                                                                              |
| Target-Kategorie       | Protein C-ets-1                                                                                                     |
| Application Verdünnung | WB 1:500-2000FC 1:20                                                                                                |
