| Artikelname              | Anti-Hsp70 HSPA1A Antibody Picoband (monoclonal, 3H5) PE Conjugated, Clone: [Clone: 3H5], Mouse, Monoclonal                                                                                              |
| Artikelnummer            | BOB-M00949-2-PE                                                                                                                                                                                          |
| Hersteller Artikelnummer | M00949-2-PE                                                                                                                                                                                              |
| Alternativnummer         | BOB-M00949-2-PE-100UG                                                                                                                                                                                    |
| Hersteller               | Boster Bio                                                                                                                                                                                               |
| Wirt                     | Mouse                                                                                                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                                                                                               |
| Applikation              | FC                                                                                                                                                                                                       |
| Spezies Reaktivität      | Human                                                                                                                                                                                                    |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminus of human Hsp70, different from the related mouse sequence by five amino acids, and from the related rat sequence by three amino acids. |
| Klonalität               | Monoclonal                                                                                                                                                                                               |
| Klon-Bezeichnung         | [Clone: 3H5]                                                                                                                                                                                             |
| NCBI                     | <a href="#">3303</a>                                                                                                                                                                                     |
| UniProt                  | <a href="#">P0DMV8</a>                                                                                                                                                                                   |

|                        |                                                                                                              |
|------------------------|--------------------------------------------------------------------------------------------------------------|
| Puffer                 | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> . |
| Reinheit               | Immunogen affinity purified.                                                                                 |
| Formulierung           | Liquid                                                                                                       |
| Target-Kategorie       | Ubiquitin-conjugating enzyme E2 D1/2/3/4                                                                     |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells                                                                |
