| Artikelname              | Anti-S100-beta Rabbit Monoclonal Antibody, CloneRM304, Clone: [Clone: RM304]                                                                             |
| Artikelnummer            | BOB-M00979-2                                                                                                                                             |
| Hersteller Artikelnummer | M00979-2                                                                                                                                                 |
| Alternativnummer         | BOB-M00979-2-100UL                                                                                                                                       |
| Hersteller               | Boster Bio                                                                                                                                               |
| Wirt                     | Rabbit                                                                                                                                                   |
| Kategorie                | Antikörper                                                                                                                                               |
| Applikation              | IHC, WB                                                                                                                                                  |
| Spezies Reaktivität      | Human                                                                                                                                                    |
| Immunogen                | A peptide corresponding to the C-terminus of human S100-B                                                                                                |
| Produktbeschreibung      | Boster Bio Anti-S100-beta Rabbit Monoclonal Antibody, CloneRM304 (Catalog M00979-2). Tested in IHC, WB applications. This antibody reacts with Human.... |
| Klonalität               | Monoclonal                                                                                                                                               |
| Konzentration            | 0.5-1mg/ml, actual concentration vary by lot. Use suggested dilution ratio to decide dilution procedure.                                                 |
| Klon-Bezeichnung         | [Clone: RM304]                                                                                                                                           |
| Molekulargewicht         | 10713 MW                                                                                                                                                 |

|                        |                                                                             |
|------------------------|-----------------------------------------------------------------------------|
| UniProt                | <a href="#">P04271</a>                                                      |
| Puffer                 | 50% Glycerol/PBS with 1% BSA and 0.09% sodium azide                         |
| Formulierung           | Liquid                                                                      |
| Application Verdünnung | Immunohistochemistry (IHC): 1:500-1:1000 dilution WB: 1:100-1:200 dilution. |
