| Alternativnummer         | BOB-M00991-100UL                                                                                                                                                   |
| Hersteller               | Boster Bio                                                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                                                             |
| Kategorie                | Antikörper                                                                                                                                                         |
| Applikation              | ICC, IF, IHC, WB                                                                                                                                                   |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                  |
| Immunogen                | A synthesized peptide derived from human Syndecan 1                                                                                                                |
| Produktbeschreibung      | Boster Bio Anti-Syndecan 1 SDC1 Rabbit Monoclonal Antibody catalog M00991. Tested in WB, IHC, ICC/IF applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Monoclonal                                                                                                                                                         |
| Konzentration            | 0.5mg/ml                                                                                                                                                           |
| Klon-Bezeichnung         | [Clone: AbS91]                                                                                                                                                     |
| Molekulargewicht         | Observed Molecular Weight: 17 kDa. Calculated Molecular Weight: 32462 MW                                                                                           |

|                        |                                                                                                                     |
|------------------------|---------------------------------------------------------------------------------------------------------------------|
| NCBI                   | <a href="#">6382</a>                                                                                                |
