## Product Datasheet

### **Anti-MEK2/MAP2K2 Antibody Picoband (monoclonal, 2B4) Fluoro647 Conjugated, Clone: [Clone: 2B4], Mouse, Monoclonal BOB-M00996-2-FLUORO647**

|                          |                                                                                                                   |
|--------------------------|-------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-MEK2/MAP2K2 Antibody Picoband (monoclonal, 2B4) Fluoro647 Conjugated, Clone: [Clone: 2B4], Mouse, Monoclonal |
| Artikelnummer            | BOB-M00996-2-FLUORO647                                                                                            |
| Hersteller Artikelnummer | M00996-2-Fluoro647                                                                                                |
| Alternativnummer         | BOB-M00996-2-FLUORO647-100UG                                                                                      |
| Hersteller               | Boster Bio                                                                                                        |
| Wirt                     | Mouse                                                                                                             |
| Kategorie                | Antikörper                                                                                                        |
| Applikation              | FC                                                                                                                |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                 |
| Immunogen                | E.coli-derived human MEK2/MAP2K2 recombinant protein (Position: M1-V400).                                         |
| Klonalität               | Monoclonal                                                                                                        |
| Klon-Bezeichnung         | [Clone: 2B4]                                                                                                      |
| NCBI                     | <a href="#">5605</a>                                                                                              |
| UniProt                  | <a href="#">P36507</a>                                                                                            |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .       |

|                        |                                                            |
|------------------------|------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                               |
| Formulierung           | Liquid                                                     |
| Target-Kategorie       | Dual specificity mitogen-activated protein kinase kinase 2 |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells              |
