## Product Datasheet

### Anti-PKC mu Rabbit Monoclonal Antibody, Clone: [Clone: 17P74] BOB-M01455

|                          |                                                                                                                                             |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-PKC mu Rabbit Monoclonal Antibody, Clone: [Clone: 17P74]                                                                               |
| Artikelnummer            | BOB-M01455                                                                                                                                  |
| Hersteller Artikelnummer | M01455                                                                                                                                      |
| Alternativnummer         | BOB-M01455-100UL                                                                                                                            |
| Hersteller               | Boster Bio                                                                                                                                  |
| Wirt                     | Rabbit                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                  |
| Applikation              | WB                                                                                                                                          |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                           |
| Immunogen                | A synthesized peptide derived from human PKC mu                                                                                             |
| Produktbeschreibung      | Boster Bio Anti-PKC mu Rabbit Monoclonal Antibody catalog M01455. Tested in WB application. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Monoclonal                                                                                                                                  |
| Konzentration            | 0.5mg/ml                                                                                                                                    |
| Klon-Bezeichnung         | [Clone: 17P74]                                                                                                                              |
| Molekulargewicht         | Observed Molecular Weight: 37-43 kDa. Calculated Molecular Weight: 35001 MW                                                                 |
| NCBI                     | <a href="#">5587</a>                                                                                                                        |

|                        |                                                                                                                     |
|------------------------|---------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">Q15139</a>                                                                                              |
| Puffer                 | Rabbit IgG in phosphate buffered saline, pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol, 0.4-0.5mg/ml BSA. |
| Reinheit               | Affinity-chromatography                                                                                             |
| Formulierung           | Liquid                                                                                                              |
| Target-Kategorie       | Serine/threonine-protein kinase D1                                                                                  |
| Application Verdünnung | WB 1:500-2000                                                                                                       |
