| Artikelnummer            | BOB-M01459                                                                                                                                                              |
| Hersteller Artikelnummer | M01459                                                                                                                                                                  |
| Alternativnummer         | BOB-M01459-100UL                                                                                                                                                        |
| Hersteller               | Boster Bio                                                                                                                                                              |
| Wirt                     | Rabbit                                                                                                                                                                  |
| Kategorie                | Antikörper                                                                                                                                                              |
| Applikation              | FC, ICC, IF, IHC, WB                                                                                                                                                    |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                       |
| Immunogen                | A synthesized peptide derived from human Hes1                                                                                                                           |
| Produktbeschreibung      | Boster Bio Anti-Hes1 Rabbit Monoclonal Antibody catalog M01459. Tested in WB, IHC, ICC/IF, Flow Cytometry applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Monoclonal                                                                                                                                                              |
| Konzentration            | 0.5mg/ml                                                                                                                                                                |
| Klon-Bezeichnung         | [Clone: FBB-8]                                                                                                                                                          |
| Molekulargewicht         | Observed Molecular Weight: 30 kDa. Calculated Molecular Weight: 29541 MW                                                                                                |
| NCBI                     | <a href="#">3280</a>                                                                                                                                                    |

|                        |                                                                                                                     |
|------------------------|---------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">Q14469</a>                                                                                              |
| Puffer                 | Rabbit IgG in phosphate buffered saline, pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol, 0.4-0.5mg/ml BSA. |
| Reinheit               | Affinity-chromatography                                                                                             |
| Formulierung           | Liquid                                                                                                              |
| Target-Kategorie       | Fanconi anemia M                                                                                                    |
| Application Verdünnung | WB 1:500-2000IHC 1:50-200ICC/IF 1:50-200FC 1:50                                                                     |
