| Alternativnummer         | BOB-M01857-100UL                                                                                                                                                              |
| Hersteller               | Boster Bio                                                                                                                                                                    |
| Wirt                     | Rabbit                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                    |
| Applikation              | ICC, IF, IHC, IP, WB                                                                                                                                                          |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                             |
| Immunogen                | A synthesized peptide derived from human beta III Tubulin                                                                                                                     |
| Produktbeschreibung      | Boster Bio Anti-beta III Tubulin TUBB3 Rabbit Monoclonal Antibody catalog M01857. Tested in WB, IHC, ICC/IF, IP applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Monoclonal                                                                                                                                                                    |
| Konzentration            | 0.5mg/ml                                                                                                                                                                      |
| Klon-Bezeichnung         | [Clone: CB-20]                                                                                                                                                                |
| Molekulargewicht         | Observed Molecular Weight: 53 kDa. Calculated Molecular Weight: 50433 MW                                                                                                      |

|                        |                                                                                                                     |
|------------------------|---------------------------------------------------------------------------------------------------------------------|
| NCBI                   | <a href="#">10381</a>                                                                                               |
| UniProt                | <a href="#">Q13509</a>                                                                                              |
| Puffer                 | Rabbit IgG in phosphate buffered saline, pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol, 0.4-0.5mg/ml BSA. |
| Reinheit               | Affinity-chromatography                                                                                             |
| Formulierung           | Liquid                                                                                                              |
| Target-Kategorie       | Tubulin beta-3 chain                                                                                                |
| Application Verdünnung | WB 1:2000-1:20000IHC 1:50-1:200ICC/IF 1:50-1:200IP 1:50                                                             |
