| Artikelname              | Anti-PSIP1 / LEDGF Rabbit Monoclonal Antibody, Clone: [Clone: 31P66]                                                                                 |
| Artikelnummer            | BOB-M01960                                                                                                                                           |
| Hersteller Artikelnummer | M01960                                                                                                                                               |
| Alternativnummer         | BOB-M01960-100UL                                                                                                                                     |
| Hersteller               | Boster Bio                                                                                                                                           |
| Wirt                     | Rabbit                                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                                           |
| Applikation              | ICC, IF, IHC, WB                                                                                                                                     |
| Spezies Reaktivität      | Human                                                                                                                                                |
| Immunogen                | A synthesized peptide derived from human PSIP1 / LEDGF                                                                                               |
| Produktbeschreibung      | Boster Bio Anti-PSIP1 / LEDGF Rabbit Monoclonal Antibody catalog M01960. Tested in WB, IHC, ICC/IF applications. This antibody reacts with Human.... |
| Klonalität               | Monoclonal                                                                                                                                           |
| Konzentration            | 0.5mg/ml                                                                                                                                             |
| Klon-Bezeichnung         | [Clone: 31P66]                                                                                                                                       |
| NCBI                     | <a href="#">11168</a>                                                                                                                                |
| UniProt                  | <a href="#">O75475</a>                                                                                                                               |

|                        |                                                                                                                     |
|------------------------|---------------------------------------------------------------------------------------------------------------------|
| Puffer                 | Rabbit IgG in phosphate buffered saline, pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol, 0.4-0.5mg/ml BSA. |
| Reinheit               | Affinity-chromatography                                                                                             |
| Formulierung           | Liquid                                                                                                              |
| Target-Kategorie       | PC4 and SFRS1-interacting protein                                                                                   |
| Application Verdünnung | WB 1:500-2000IHC 1:50-200ICC/IF 1:50-200                                                                            |
