| Hersteller               | Boster Bio                                                                                                                            |
| Wirt                     | Rabbit                                                                                                                                |
| Kategorie                | Antikörper                                                                                                                            |
| Applikation              | IHC, WB                                                                                                                               |
| Spezies Reaktivität      | Human                                                                                                                                 |
| Immunogen                | Recombinant protein within human ASA1 aa 3-393.                                                                                       |
| Produktbeschreibung      | Boster Bio Anti-ASA1 Antibody (Monoclonal, 32A87) catalog M02055. Tested in WB, IHC applications. This antibody reacts with Human.... |
| Klonalität               | Monoclonal                                                                                                                            |
| Konzentration            | 500 µg/ml                                                                                                                             |
| Klon-Bezeichnung         | [Clone: 32A87]                                                                                                                        |
| UniProt                  | <a href="#">Q13510</a>                                                                                                                |

|                        |                                                                                                                     |
|------------------------|---------------------------------------------------------------------------------------------------------------------|
| Puffer                 | Rabbit IgG in phosphate buffered saline, pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol, 0.4-0.5mg/ml BSA. |
| Formulierung           | Liquid                                                                                                              |
| Application Verdünnung | Western blot, 1:500-2000Immunohistochemistry, 1:50-200                                                              |
