## Product Datasheet

### Anti-Cytochrome p450 2C19/CYP2C19 Antibody Picoband (monoclonal, 5G4) Fluoro488 Conjugated, Clone: [Clone: 5G4], Mouse, Monoclonal BOB-M02102-1-FLUORO488

|                          |                                                                                                                                    |

| Artikelname              | Anti-Cytochrome p450 2C19/CYP2C19 Antibody Picoband (monoclonal, 5G4) Fluoro488 Conjugated, Clone: [Clone: 5G4], Mouse, Monoclonal |
| Artikelnummer            | BOB-M02102-1-FLUORO488                                                                                                             |
| Hersteller Artikelnummer | M02102-1-Fluoro488                                                                                                                 |
| Alternativnummer         | BOB-M02102-1-FLUORO488-100UG                                                                                                       |
| Hersteller               | Boster Bio                                                                                                                         |
| Wirt                     | Mouse                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                         |
| Applikation              | FC                                                                                                                                 |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                  |
| Immunogen                | A synthetic peptide corresponding to a sequence in the middle region of human Cytochrome p450 2C19/CYP2C19.                        |
| Klonalität               | Monoclonal                                                                                                                         |
| Klon-Bezeichnung         | [Clone: 5G4]                                                                                                                       |
| NCBI                     | <a href="#">1557</a>                                                                                                               |
| UniProt                  | <a href="#">P33261</a>                                                                                                             |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                        |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Reinheit               | Immunogen affinity purified.                  |
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Cytochrome P450 2C19                          |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
