## Product Datasheet

### Anti-MARK2 Rabbit Monoclonal Antibody, Clone: [Clone: 20M53] BOB-M02117-1

|                          |                                                                                                                                                               |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-MARK2 Rabbit Monoclonal Antibody, Clone: [Clone: 20M53]                                                                                                  |
| Artikelnummer            | BOB-M02117-1                                                                                                                                                  |
| Hersteller Artikelnummer | M02117-1                                                                                                                                                      |
| Alternativnummer         | BOB-M02117-1-100UL                                                                                                                                            |
| Hersteller               | Boster Bio                                                                                                                                                    |
| Wirt                     | Rabbit                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                    |
| Applikation              | FC, WB                                                                                                                                                        |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                             |
| Immunogen                | A synthesized peptide derived from human MARK2                                                                                                                |
| Produktbeschreibung      | Boster Bio Anti-MARK2 Rabbit Monoclonal Antibody catalog M02117-1. Tested in WB, Flow Cytometry applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Monoclonal                                                                                                                                                    |
| Konzentration            | 0.5mg/ml                                                                                                                                                      |
| Klon-Bezeichnung         | [Clone: 20M53]                                                                                                                                                |
| Molekulargewicht         | Observed Molecular Weight: 78 kDa, 82 kDa. Calculated Molecular Weight: 73777 MW                                                                              |
| NCBI                     | <a href="#">2011</a>                                                                                                                                          |

|                        |                                                                                                                     |
|------------------------|---------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">Q7KZI7</a>                                                                                              |
| Puffer                 | Rabbit IgG in phosphate buffered saline, pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol, 0.4-0.5mg/ml BSA. |
| Reinheit               | Affinity-chromatography                                                                                             |
| Formulierung           | Liquid                                                                                                              |
| Target-Kategorie       | Serine/threonine-protein kinase MARK2                                                                               |
| Application Verdünnung | WB 1:500-2000FC 1:100                                                                                               |
