| Alternativnummer         | BOB-M02163-100UL                                                                                                                                          |
| Hersteller               | Boster Bio                                                                                                                                                |
| Wirt                     | Mouse                                                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                                                |
| Applikation              | IF, IHC, WB                                                                                                                                               |
| Spezies Reaktivität      | Human                                                                                                                                                     |
| Immunogen                | Full length human recombinant protein of human CUGBP1 (NP_006551) produced in HEK293T cell.                                                               |
| Konjugation              | Unconjugated                                                                                                                                              |
| Produktbeschreibung      | Boster Bio Anti-CUGBP1 mouse monoclonal antibody, clone OTI5B8 (formerly 5B8). Catalog M02163. Tested in IF, IHC, WB. This antibody reacts with Human.... |
| Klonalität               | Monoclonal                                                                                                                                                |
| Konzentration            | 0.99 mg/ml                                                                                                                                                |
| Klon-Bezeichnung         | [Clone: OTI5B8]                                                                                                                                           |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Isotyp                 | IgG2b                                                                |
| UniProt                | <a href="#">Q92879</a>                                               |
| Puffer                 | PBS (pH 7.3) containing 1% BSA, 50% glycerol and 0.02% sodium azide. |
| Application Verdünnung | WB: 1:2000IHC: 1:50IF: 1:100                                         |
