| Artikelname              | Anti-Glycophorin A (CD235a) GYPA Monoclonal Antibody, Clone: [Clone: ADOG-7], Rabbit                                                                                  |
| Artikelnummer            | BOB-M02184-1                                                                                                                                                          |
| Hersteller Artikelnummer | M02184-1                                                                                                                                                              |
| Alternativnummer         | BOB-M02184-1-100UL                                                                                                                                                    |
| Hersteller               | Boster Bio                                                                                                                                                            |
| Wirt                     | Rabbit                                                                                                                                                                |
| Kategorie                | Antikörper                                                                                                                                                            |
| Applikation              | FC, IHC, WB                                                                                                                                                           |
| Spezies Reaktivität      | Human                                                                                                                                                                 |
| Immunogen                | A synthesized peptide derived from human Glycophorin A (CD235a).                                                                                                      |
| Produktbeschreibung      | Boster Bio Anti-Glycophorin A (CD235a) GYPA Monoclonal Antibody catalog M02184-1. Tested in WB, IHC, Flow Cytometry applications. This antibody reacts with Human.... |
| Klonalität               | Monoclonal                                                                                                                                                            |
| Konzentration            | 0.5mg/ml                                                                                                                                                              |
| Klon-Bezeichnung         | [Clone: ADOG-7]                                                                                                                                                       |
| Molekulargewicht         | Observed Molecular Weight: 27 kDa                                                                                                                                     |

|                        |                                                                                                                     |
|------------------------|---------------------------------------------------------------------------------------------------------------------|
| NCBI                   | <a href="#">2993</a>                                                                                                |
| UniProt                | <a href="#">P02724</a>                                                                                              |
| Puffer                 | Rabbit IgG in phosphate buffered saline, pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol, 0.4-0.5mg/ml BSA. |
| Reinheit               | Affinity-chromatography                                                                                             |
| Formulierung           | Liquid                                                                                                              |
| Target-Kategorie       | Glycophorin-A                                                                                                       |
| Application Verdünnung | WB 1:500-2000IHC 1:50-200FC 1:20                                                                                    |
