| Alternativnummer         | BOB-M02193-1-200UL-200UL                                                                                                          |
| Hersteller               | Boster Bio                                                                                                                        |
| Wirt                     | Mouse                                                                                                                             |
| Kategorie                | Antikörper                                                                                                                        |
| Applikation              | IHC-P, WB                                                                                                                         |
| Spezies Reaktivität      | Human                                                                                                                             |
| Immunogen                | This ADK antibody is generated from a mouse immunized with a recombinant protein between 1-345 amino acids from human ADK.        |
| Produktbeschreibung      | Boster Bio Anti-ADK Antibody (N-term) (Catalog M02193-1). Tested in WB, IHC-P application(s). This antibody reacts with Human.... |
| Klonalität               | Monoclonal                                                                                                                        |
| Klon-Bezeichnung         | [Clone: 1103CT3.4.3]                                                                                                              |
| Molekulargewicht         | 40545 Da                                                                                                                          |
| UniProt                  | <a href="#">P55263</a>                                                                                                            |

|                        |                                                                             |
|------------------------|-----------------------------------------------------------------------------|
| Puffer                 | Purified monoclonal antibody supplied in PBS with 0.09% (W/V) sodium azide. |
| Application Verdünnung | WB: 1:4000IHC-P: 1:25                                                       |
