## Product Datasheet

### Anti-FABPI Rabbit Monoclonal Antibody, Clone: [Clone: 24F95] BOB-M02378-1

|                          |                                                                                                                                              |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-FABPI Rabbit Monoclonal Antibody, Clone: [Clone: 24F95]                                                                                 |
| Artikelnummer            | BOB-M02378-1                                                                                                                                 |
| Hersteller Artikelnummer | M02378-1                                                                                                                                     |
| Alternativnummer         | BOB-M02378-1-100UL                                                                                                                           |
| Hersteller               | Boster Bio                                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                   |
| Applikation              | WB                                                                                                                                           |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                            |
| Immunogen                | A synthesized peptide derived from human FABPI                                                                                               |
| Produktbeschreibung      | Boster Bio Anti-FABPI Rabbit Monoclonal Antibody catalog M02378-1. Tested in WB application. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Monoclonal                                                                                                                                   |
| Konzentration            | 0.5mg/ml                                                                                                                                     |
| Klon-Bezeichnung         | [Clone: 24F95]                                                                                                                               |
| Molekulargewicht         | Observed Molecular Weight: 15 kDa. Calculated Molecular Weight: 120839 MW                                                                    |
| NCBI                     | <a href="#">2169</a>                                                                                                                         |

|                        |                                                                                                                     |
|------------------------|---------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">P12104</a>                                                                                              |
| Puffer                 | Rabbit IgG in phosphate buffered saline, pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol, 0.4-0.5mg/ml BSA. |
| Reinheit               | Affinity-chromatography                                                                                             |
| Formulierung           | Liquid                                                                                                              |
| Target-Kategorie       | Fatty acid-binding protein, intestinal                                                                              |
| Application Verdünnung | WB 1:500-2000                                                                                                       |
