| Artikelname              | Anti-FANCC Mouse Monoclonal Antibody [Clone ID: OTI8A7], IgG2a, Clone: [Clone: OTI8A7]                                      |
| Artikelnummer            | BOB-M02387                                                                                                                  |
| Hersteller Artikelnummer | M02387                                                                                                                      |
| Alternativnummer         | BOB-M02387-100UL                                                                                                            |
| Hersteller               | Boster Bio                                                                                                                  |
| Wirt                     | Mouse                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                  |
| Applikation              | WB                                                                                                                          |
| Spezies Reaktivität      | Human                                                                                                                       |
| Immunogen                | Human recombinant protein fragment corresponding to amino acids 1-284 of human FANCC (NP_000127) produced in E.coli.        |
| Produktbeschreibung      | Boster Bio FANCC mouse monoclonal antibody, clone OTI8A7. Catalog M02387. Tested in WB. This antibody reacts with Human.... |
| Klonalität               | Monoclonal                                                                                                                  |
| Konzentration            | 1 mg/ml                                                                                                                     |
| Klon-Bezeichnung         | [Clone: OTI8A7]                                                                                                             |
| Isotyp                   | IgG2a                                                                                                                       |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| UniProt                | <a href="#">Q00597</a>                                               |
| Puffer                 | PBS (PH 7.3) containing 1% BSA, 50% glycerol and 0.02% sodium azide. |
| Application Verdünnung | WB: 1:2000                                                           |
