## Product Datasheet

### Anti-Hsp75 TRAP1 Rabbit Monoclonal Antibody, Clone: [Clone: IBD-20] BOB-M02426-1

|                          |                                                                                                                                             |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-Hsp75 TRAP1 Rabbit Monoclonal Antibody, Clone: [Clone: IBD-20]                                                                         |
| Artikelnummer            | BOB-M02426-1                                                                                                                                |
| Hersteller Artikelnummer | M02426-1                                                                                                                                    |
| Alternativnummer         | BOB-M02426-1-100UL                                                                                                                          |
| Hersteller               | Boster Bio                                                                                                                                  |
| Wirt                     | Rabbit                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                  |
| Applikation              | IP, WB                                                                                                                                      |
| Spezies Reaktivität      | Human                                                                                                                                       |
| Immunogen                | A synthesized peptide derived from human Hsp75                                                                                              |
| Produktbeschreibung      | Boster Bio Anti-Hsp75 TRAP1 Rabbit Monoclonal Antibody catalog M02426-1. Tested in WB, IP applications. This antibody reacts with Human.... |
| Klonalität               | Monoclonal                                                                                                                                  |
| Konzentration            | 0.5mg/ml                                                                                                                                    |
| Klon-Bezeichnung         | [Clone: IBD-20]                                                                                                                             |
| Molekulargewicht         | Observed Molecular Weight: 35 kDa, 39 kDa. Calculated Molecular Weight: 80110 MW                                                            |

|                        |                                                                                                                     |
|------------------------|---------------------------------------------------------------------------------------------------------------------|
| NCBI                   | <a href="#">10131</a>                                                                                               |
| UniProt                | <a href="#">Q12931</a>                                                                                              |
| Puffer                 | Rabbit IgG in phosphate buffered saline, pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol, 0.4-0.5mg/ml BSA. |
| Reinheit               | Affinity-chromatography                                                                                             |
| Formulierung           | Liquid                                                                                                              |
| Target-Kategorie       | Heat shock protein 75 kDa, mitochondrial                                                                            |
| Application Verdünnung | WB 1:500-2000IP 1:20                                                                                                |
