| Alternativnummer         | BOB-M02439-4-100UL                                                                                                                                                           |
| Hersteller               | Boster Bio                                                                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                                   |
| Applikation              | FC, ICC, IHC, WB                                                                                                                                                             |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                            |
| Immunogen                | Recombinant protein within human GPNMB aa 3-496.                                                                                                                             |
| Produktbeschreibung      | Boster Bio Anti-GPNMB Antibody (Monoclonal, 35G24) catalog M02439-4. Tested in WB, IHC, ICC/IF, Flow Cytometry applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Monoclonal                                                                                                                                                                   |
| Konzentration            | 500 µg/ml                                                                                                                                                                    |
| Klon-Bezeichnung         | [Clone: 35G24]                                                                                                                                                               |
| UniProt                  | <a href="#">Q14956</a>                                                                                                                                                       |

|                        |                                                                                                                                        |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | Rabbit IgG in phosphate buffered saline, pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol, 0.4-0.5mg/ml BSA.                    |
| Formulierung           | Liquid                                                                                                                                 |
| Application Verdünnung | Western blot, 1:500-2000Immunohistochemistry, 1:50-200Immunocytochemistry/Immunofluorescence, 1:50-200Flow Cytometry (Fixed), 1:50-200 |
