| Alternativnummer         | BOB-M02846-1-100UL                                                                                                                                        |
| Hersteller               | Boster Bio                                                                                                                                                |
| Wirt                     | Rabbit                                                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                                                |
| Applikation              | IHC, WB                                                                                                                                                   |
| Spezies Reaktivität      | Human                                                                                                                                                     |
| Immunogen                | A peptide corresponding to the C-terminus of human PSMA (Prostate-specific membrane antigen).                                                             |
| Produktbeschreibung      | Boster Bio Anti-PSMA FOLH1 Rabbit Monoclonal Antibody, CloneRM327 (Catalog M02846-1). Tested in IHC, WB applications. This antibody reacts with Human.... |
| Klonalität               | Monoclonal                                                                                                                                                |
| Konzentration            | 0.5-1mg/ml, actual concentration vary by lot. Use suggested dilution ratio to decide dilution procedure.                                                  |
| Klon-Bezeichnung         | [Clone: RM327]                                                                                                                                            |

|                        |                                                                               |
|------------------------|-------------------------------------------------------------------------------|
| Molekulargewicht       | 84331 MW                                                                      |
| UniProt                | <a href="#">Q04609</a>                                                        |
| Puffer                 | 50% Glycerol/PBS with 1% BSA and 0.09% sodium azide                           |
| Formulierung           | Liquid                                                                        |
| Application Verdünnung | Immunohistochemistry (IHC): 1:500-1:1000 dilution WB: 1:1000-1:2000 dilution. |
