| Artikelname              | Anti-Aminomethyltransferase (AMT) Mouse Monoclonal Antibody [Clone ID: OTI6F4], IgG1, Clone: [Clone: OTI6F4]                                              |
| Artikelnummer            | BOB-M03217                                                                                                                                                |
| Hersteller Artikelnummer | M03217                                                                                                                                                    |
| Alternativnummer         | BOB-M03217-100UL                                                                                                                                          |
| Hersteller               | Boster Bio                                                                                                                                                |
| Wirt                     | Mouse                                                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                                                |
| Applikation              | IHC, WB                                                                                                                                                   |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                         |
| Immunogen                | Human recombinant protein fragment corresponding to amino acids 146-403 of human AMT (NP_000472) produced in E.coli.                                      |
| Produktbeschreibung      | Boster Bio AMT mouse monoclonal antibody, clone OTI6F4 (formerly 6F4). Catalog M03217. Tested in IHC, WB. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Monoclonal                                                                                                                                                |
| Konzentration            | 1 mg/ml                                                                                                                                                   |
| Klon-Bezeichnung         | [Clone: OTI6F4]                                                                                                                                           |
| Isotyp                   | IgG1                                                                                                                                                      |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| UniProt                | <a href="#">P48728</a>                                               |
| Puffer                 | PBS (PH 7.3) containing 1% BSA, 50% glycerol and 0.02% sodium azide. |
| Application Verdünnung | WB 1:2000IHC 1:150                                                   |
