| Artikelname              | Anti-PDK2 Monoclonal Antibody, Clone: [Clone: AEOA-16], Rabbit                                                                                                       |
| Artikelnummer            | BOB-M03261                                                                                                                                                           |
| Hersteller Artikelnummer | M03261                                                                                                                                                               |
| Alternativnummer         | BOB-M03261-100UL                                                                                                                                                     |
| Hersteller               | Boster Bio                                                                                                                                                           |
| Wirt                     | Rabbit                                                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                                                           |
| Applikation              | FC, ICC, IF, IHC, IP, WB                                                                                                                                             |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                    |
| Immunogen                | A synthesized peptide derived from human PDK2                                                                                                                        |
| Produktbeschreibung      | Boster Bio Anti-PDK2 Monoclonal Antibody catalog M03261. Tested in WB, IHC, ICC/IF, IP, Flow Cytometry applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Monoclonal                                                                                                                                                           |
| Konzentration            | 0.5mg/ml                                                                                                                                                             |
| Klon-Bezeichnung         | [Clone: AEOA-16]                                                                                                                                                     |
| Molekulargewicht         | Observed Molecular Weight: 130 kDa. Calculated Molecular Weight: 23147 MW                                                                                            |
| NCBI                     | <a href="#">5164</a>                                                                                                                                                 |

|                        |                                                                                                                     |
|------------------------|---------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">Q15119</a>                                                                                              |
| Puffer                 | Rabbit IgG in phosphate buffered saline, pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol, 0.4-0.5mg/ml BSA. |
| Reinheit               | Affinity-chromatography                                                                                             |
| Formulierung           | Liquid                                                                                                              |
| Target-Kategorie       | Pyruvate dehydrogenase                                                                                              |
| Application Verdünnung | WB 1:500-2000IHC 1:50-200ICC/IF 1:50-200IP 1:40FC 1:50                                                              |
