| Artikelname              | Anti-Estrogen Related Receptor alpha (ESRRA) Mouse Monoclonal Antibody [Clone ID: OTI2C12], IgG1, Clone: [Clone: OTI2C12]                           |
| Artikelnummer            | BOB-M03339-1                                                                                                                                        |
| Hersteller Artikelnummer | M03339-1                                                                                                                                            |
| Alternativnummer         | BOB-M03339-1-100UL                                                                                                                                  |
| Hersteller               | Boster Bio                                                                                                                                          |
| Wirt                     | Mouse                                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                                          |
| Applikation              | IHC, WB                                                                                                                                             |
| Spezies Reaktivität      | Human                                                                                                                                               |
| Immunogen                | Human recombinant protein fragment corresponding to amino acids 1-205 of human ESRRA (NP_004442) produced in E.coli.                                |
| Produktbeschreibung      | Boster Bio ESRRA mouse monoclonal antibody, clone OTI2C12 (formerly 2C12). Catalog M03339-1. Tested in IHC, WB. This antibody reacts with Human.... |
| Klonalität               | Monoclonal                                                                                                                                          |
| Konzentration            | 1 mg/ml                                                                                                                                             |
| Klon-Bezeichnung         | [Clone: OTI2C12]                                                                                                                                    |
| Isotyp                   | IgG1                                                                                                                                                |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| UniProt                | <a href="#">P11474</a>                                               |
| Puffer                 | PBS (PH 7.3) containing 1% BSA, 50% glycerol and 0.02% sodium azide. |
| Application Verdünnung | WB 1:2000IHC 1:150                                                   |
