| Alternativnummer         | BOB-M03361-2-100UL                                                                                                                                                     |
| Hersteller               | Boster Bio                                                                                                                                                             |
| Wirt                     | Rabbit                                                                                                                                                                 |
| Kategorie                | Antikörper                                                                                                                                                             |
| Applikation              | FC, ICC, IF, IHC, IP, WB                                                                                                                                               |
| Spezies Reaktivität      | Human                                                                                                                                                                  |
| Immunogen                | A synthesized peptide derived from human Plastin L                                                                                                                     |
| Produktbeschreibung      | Boster Bio Anti-Plastin L Rabbit Monoclonal Antibody catalog M03361-2. Tested in WB, IHC, ICC/IF, IP, Flow Cytometry applications. This antibody reacts with Human.... |
| Klonalität               | Monoclonal                                                                                                                                                             |
| Konzentration            | 0.5mg/ml                                                                                                                                                               |
| Klon-Bezeichnung         | [Clone: 21L92]                                                                                                                                                         |
| Molekulargewicht         | Observed Molecular Weight: 70 kDa. Calculated Molecular Weight: 133292 MW                                                                                              |
| NCBI                     | <a href="#">3936</a>                                                                                                                                                   |

|                        |                                                                                                                     |
|------------------------|---------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">P13796</a>                                                                                              |
| Puffer                 | Rabbit IgG in phosphate buffered saline, pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol, 0.4-0.5mg/ml BSA. |
| Reinheit               | Affinity-chromatography                                                                                             |
| Formulierung           | Liquid                                                                                                              |
| Target-Kategorie       | Plastin-2                                                                                                           |
| Application Verdünnung | WB 1:500-2000IHC 1:50-200ICC/IF 1:50-200IP 1:50FC 1:50                                                              |
