## Product Datasheet

### **Anti-SMN1/2 Antibody Picoband (monoclonal, 2B10) Fluoro647 Conjugated, Clone: [Clone: 2B10], Mouse, Monoclonal BOB-M03420-1-FLUORO647**

|                          |                                                                                                                                      |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-SMN1/2 Antibody Picoband (monoclonal, 2B10) Fluoro647<br>Conjugated, Clone: [Clone: 2B10], Mouse, Monoclonal                    |
| Artikelnummer            | BOB-M03420-1-FLUORO647                                                                                                               |
| Hersteller Artikelnummer | M03420-1-Fluoro647                                                                                                                   |
| Alternativnummer         | BOB-M03420-1-FLUORO647-100UG                                                                                                         |
| Hersteller               | Boster Bio                                                                                                                           |
| Wirt                     | Mouse                                                                                                                                |
| Kategorie                | Antikörper                                                                                                                           |
| Applikation              | FC                                                                                                                                   |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                    |
| Immunogen                | A synthetic peptide corresponding to a sequence at the N-terminus of human SMN1/2, identical to the related mouse and rat sequences. |
| Klonalität               | Monoclonal                                                                                                                           |
| Klon-Bezeichnung         | [Clone: 2B10]                                                                                                                        |
| Molekulargewicht         | Calculated Molecular Weight: 32 kDa                                                                                                  |
| NCBI                     | <a href="#">6606</a>                                                                                                                 |
| UniProt                  | <a href="#">Q16637</a>                                                                                                               |

|                        |                                                                                                              |
|------------------------|--------------------------------------------------------------------------------------------------------------|
| Puffer                 | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> . |
| Reinheit               | Immunogen affinity purified.                                                                                 |
| Formulierung           | Liquid                                                                                                       |
| Target-Kategorie       | Survival motor neuron protein                                                                                |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells                                                                |
