| Artikelname              | Anti-Alpha actinin 2 Rabbit Monoclonal Antibody, Clone: [Clone: 21A00]                                                                                           |
| Artikelnummer            | BOB-M03673-1                                                                                                                                                     |
| Hersteller Artikelnummer | M03673-1                                                                                                                                                         |
| Alternativnummer         | BOB-M03673-1-100UL                                                                                                                                               |
| Hersteller               | Boster Bio                                                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                                       |
| Applikation              | IHC, IP, WB                                                                                                                                                      |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                |
| Immunogen                | A synthesized peptide derived from human Alpha actinin 2                                                                                                         |
| Produktbeschreibung      | Boster Bio Anti-Alpha actinin 2 Rabbit Monoclonal Antibody catalog M03673-1. Tested in WB, IHC, IP applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Monoclonal                                                                                                                                                       |
| Konzentration            | 0.5mg/ml                                                                                                                                                         |
| Klon-Bezeichnung         | [Clone: 21A00]                                                                                                                                                   |
| Molekulargewicht         | Observed Molecular Weight: 103 kDa. Calculated Molecular Weight: 103854 MW                                                                                       |

|                        |                                                                                                                     |
|------------------------|---------------------------------------------------------------------------------------------------------------------|
| NCBI                   | <a href="#">88</a>                                                                                                  |
| UniProt                | <a href="#">P35609</a>                                                                                              |
| Puffer                 | Rabbit IgG in phosphate buffered saline, pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol, 0.4-0.5mg/ml BSA. |
| Reinheit               | Affinity-chromatography                                                                                             |
| Formulierung           | Liquid                                                                                                              |
| Target-Kategorie       | Alpha-actinin-2                                                                                                     |
| Application Verdünnung | WB 1:1000-5000IHC 1:50-200IP 1:30                                                                                   |
