## Product Datasheet

### **Anti-Retinal S antigen (SAG) Mouse Monoclonal Antibody [Clone ID: OTI7A12], IgG1, Clone: [Clone: OTI7A12] BOB-M03775-1**

|                          |                                                                                                                                          |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-Retinal S antigen (SAG) Mouse Monoclonal Antibody [Clone ID: OTI7A12], IgG1, Clone: [Clone: OTI7A12]                                |
| Artikelnummer            | BOB-M03775-1                                                                                                                             |
| Hersteller Artikelnummer | M03775-1                                                                                                                                 |
| Alternativnummer         | BOB-M03775-1-100UL                                                                                                                       |
| Hersteller               | Boster Bio                                                                                                                               |
| Wirt                     | Mouse                                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                               |
| Applikation              | WB                                                                                                                                       |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                        |
| Immunogen                | Full length human recombinant protein of human SAG (NP_000532) produced in HEK293T cell.                                                 |
| Produktbeschreibung      | Boster Bio SAG mouse monoclonal antibody, clone OTI7A12. Catalog M03775-1. Tested in WB. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Monoclonal                                                                                                                               |
| Konzentration            | 1 mg/ml                                                                                                                                  |
| Klon-Bezeichnung         | [Clone: OTI7A12]                                                                                                                         |
| Isotyp                   | IgG1                                                                                                                                     |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| UniProt                | <a href="#">P10523</a>                                               |
| Puffer                 | PBS (PH 7.3) containing 1% BSA, 50% glycerol and 0.02% sodium azide. |
| Application Verdünnung | WB 1:500                                                             |
