| Hersteller               | Boster Bio                                                                                                                                                                             |
| Wirt                     | Mouse                                                                                                                                                                                  |
| Kategorie                | Antikörper                                                                                                                                                                             |
| Applikation              | ELISA, FC, IF, WB                                                                                                                                                                      |
| Spezies Reaktivität      | Human, Monkey                                                                                                                                                                          |
| Immunogen                | Purified recombinant fragment of human CBX1 expressed in E. Coli.                                                                                                                      |
| Produktbeschreibung      | Boster Bio Anti-Chromobox protein homolog 1 CBX1 Monoclonal Antibody catalog M04206. Tested in WB, IF, Flow Cytometry, ELISA applications. This antibody reacts with Human, Monkey.... |
| Klonalität               | Monoclonal                                                                                                                                                                             |
| Konzentration            | 1 mg/ml                                                                                                                                                                                |
| Klon-Bezeichnung         | [Clone: 5A3]                                                                                                                                                                           |
| Molekulargewicht         | 21418 MW                                                                                                                                                                               |

|                        |                                                                      |
