| Alternativnummer         | BOB-M04227-100UL                                                                                                                                                    |
| Hersteller               | Boster Bio                                                                                                                                                          |
| Wirt                     | Mouse                                                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                                                          |
| Applikation              | WB                                                                                                                                                                  |
| Spezies Reaktivität      | Canine, Human, Mouse, Rat                                                                                                                                           |
| Immunogen                | Full length human recombinant protein of human MADCAM1<br>(NP_570116) produced in HEK293T cell.                                                                     |
| Produktbeschreibung      | Boster Bio MADCAM1 mouse monoclonal antibody, clone OTI1B7<br>(formerly 1B7). Catalog M04227. Tested in WB. This antibody reacts<br>with Human, Mouse, Rat, Dog.... |
| Klonalität               | Monoclonal                                                                                                                                                          |
| Konzentration            | 1 mg/ml                                                                                                                                                             |
| Klon-Bezeichnung         | [Clone: OTI1B7]                                                                                                                                                     |
| Isotyp                   | IgG1                                                                                                                                                                |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| UniProt                | <a href="#">Q13477</a>                                               |
| Puffer                 | PBS (PH 7.3) containing 1% BSA, 50% glycerol and 0.02% sodium azide. |
| Application Verdünnung | WB 1:400~4000                                                        |
