| Alternativnummer         | BOB-M04387-100UL                                                                                                                                                       |
| Hersteller               | Boster Bio                                                                                                                                                             |
| Wirt                     | Rabbit                                                                                                                                                                 |
| Kategorie                | Antikörper                                                                                                                                                             |
| Applikation              | IHC, WB                                                                                                                                                                |
| Spezies Reaktivität      | Human                                                                                                                                                                  |
| Immunogen                | A phospho-peptide corresponding to human Phospho- eIF-2a (Ser51)                                                                                                       |
| Produktbeschreibung      | Boster Bio Anti-eIF-2 alpha (pS51) EIF2S1 Rabbit Monoclonal Antibody, CloneRM298 (Catalog M04387). Tested in IHC, WB applications. This antibody reacts with Human.... |
| Klonalität               | Monoclonal                                                                                                                                                             |
| Konzentration            | 0.5-1mg/ml, actual concentration vary by lot. Use suggested dilution ratio to decide dilution procedure.                                                               |
| Klon-Bezeichnung         | [Clone: RM298]                                                                                                                                                         |
| Molekulargewicht         | 36112 MW                                                                                                                                                               |

|                        |                                                                            |
|------------------------|----------------------------------------------------------------------------|
| UniProt                | <a href="#">P05198</a>                                                     |
| Puffer                 | 50% Glycerol/PBS with 1% BSA and 0.09% sodium azide                        |
| Formulierung           | Liquid                                                                     |
| Application Verdünnung | Immunohistochemistry (IHC): 1:100-1:200 dilution WB: 1:100-1:200 dilution. |
